**Managing Director's Message – Neeraj Yadav**

It gives us immense pleasure for presenting the premier Fire Safety Service Provider. It is our pleasure to share with you that we are the single window service provider in terms of Fire Protection & Fire Prevention Systems as per Govt. Compliances.

Our motive is to supply & Install best Fire Protection & Prevention equipment with integrate approach to the reduction of life and property loss from Fire Incidents. We are constantly looking forward to building a long-term customer relationship.

Now, we have stepped in manufacturing of Fire Fighting Equipment's also. I Strongly believe that our team will perform dedicatedly for 100% satisfaction of our customers.

**Director - Design & Compliances –Manoj Sehrawat**

We are happy to share the journey of Shree Shyam Fire Systems. Starting from building construction stage to a fully operational premises, we designed & implement Fire Systems to achieve 100% Fire Protection & Prevention along with National & International legal requirements. Fire Protection Designing in Shree Shyam Fire Systems is followed by different aspects in terms of Legal, operational & Practical approach. We have excellent command on implementing legal compliances to obtain legal approvals from concerned Authority having jurisdiction.

We are speedy moving towards a never-ending journey of Shree Shyam Fire Systems with the support of our TEAM members and our customers.

**Director – Project Operations – Jaideep**

I am too glad to share that Shree Shyam Fire Systems is emerging continuously. We are executing our projects before timelines & setting up example of perfection. Our dedicated workmen force is working hard to achieve their target for project completions. We follow both Design layouts & Practical approach during implementation of our projects. In this transforming era, we are also changing our approaches for testing, automation & Handover of Fire fighting systems.

With the support of our TEAM and our CLIENTS, I am confident that this company will continue to scale milestones of excellence for years to come.
